EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

RULE 76.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a

period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall, in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{3}{4}$ inches by $7\frac{1}{2}$ inches. In addition to the above fares, the sum of ten (10) cents will be charged for each seat and an amount equal to ten per cent. of the price of each berth; minimum charge for tax on each berth, twenty-five (25) cents.

Tickets.

Rule 1. (a.) Every passenger or employee (other than train or car employees on duty) travelling in the Pacific Great Eastern Railway

sleeping-cars is required to purchase a ticket for the space occupied or pay tariff fare for same, regardless of railway transportation held.

(b.) Sleeping-car tickets are valid for accommodation in the car and on the date and train for which issued, as indicated on ticket.

(c.) Sleeping-car tickets will not be sold beyond the destination of the rail transportation held by passenger.

Rule 2. Sleeping-car tickets for upper or lower berths or seats will be issued as follows: Form S.C. 1 will be issued by sleeping-car conductor only; Form S.C. 2 will be issued when berth is booked at a ticket office. The passenger portion of ticket must be detached and handed to the passenger at the time the sleeping-car ticket is lifted. The passenger portion serves as a receipt for fare paid and also as an identification check. The last train-conductor will lift the conductor's portion and forward with report to Comptroller. Each train-conductor will show punch impression in space provided. The sleeping-car conductor will hold his portion as his authority for accommodation provided, punch, and send same to Comptroller with his report.

No Stop-overs.

Rule 3. Tickets sold at fares quoted in this tariff do not permit of stop-over; they are valid for continuous passage only.

Berths.

Rule 4. (a.) Two persons of the same party when travelling together from same point to same destination may occupy a berth on one berth ticket.

(b.) Half-fare sleeping-car ticket will not be sold to children, but two children in the same party between the ages of 5 and 12 may be considered as one adult.

(c.) The section fare is the combination of the lower and upper berth fares.

(d.) Passengers who occupy berths in daytime in such a way as to prevent one seat being sold for seating purposes will be required to pay the section rate.

Rule 5. If a passenger is, for any cause, ejected from a sleeping-car, conductor will refund unused portion of the sleeping-car fare, retaining only the fare to point to which service is furnished. A full report of the incident must be made promptly to General Manager.

Rule 6. (a.) The value of sleeping-car tickets issued by the Pacific Great Eastern Railway Company, purchased and unused, may be refunded at once if returned to issuing office prior to departure of train for which sold. Agent making refund must get receipt and take special credit on balance-sheet.

(b.) When application for refund is made after departure of train for which berth is sold, thus preventing the resale of the accommodation, the Company is not obliged to refund, but such cases must be referred to the Passenger Department for adjustment. When practicable, however, agent will telegraph to conductor en route or to an agent at a station on the route of the car, intermediate to destination to which space has been regularly assigned; releasing the space for resale, writing on the ticket, "Space released after departure of train," with the date and hour, and return the ticket to the holder.

Seats.

Rule 1. Seat fares shown herein are for single seats.

Rule 2. The sale of seats in sleeping-cars will be regulated so as not to give right of occupation between the hours of 22 o'clock and 7 o'clock unless they in no way interfere with the rights and comfort of passengers occupying berths.

Rule 3. (a.) Half-fare seat tickets will not be sold, but two children between the ages of 5 and 12 years of age may be accommodated on one seat ticket.

(b.) Seats must not be sold in any case where the rights of berth passengers will be interfered with.

Rule 4. Space occupied in sleeping-cars as seats must not be sold at berth or section fares.

For example, two persons occupying two seats, whether together or apart, will be required to pay two individual seat fares, and four persons occupying four seats, whether together in one section or apart, will be required to pay four individual seat fares, and will not be entitled to two or four seats at the berth or section fare, as the case may be.

Rule 5. A section consists of two seats facing each other and each seat accommodates two passengers. A passenger purchasing a lower berth is entitled to a full seat facing the head end of the train and passenger purchasing an upper berth is entitled to a full seat facing the rear end of the train. A passenger purchasing a section at section fare is entitled to both seats. When only one berth in the section has been sold, two seat passengers may be accommodated on the opposite seat.

Issued May 1st, 1923.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam,

Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall, in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with copies of the notices published. Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast

by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{3}{4}$ inches by $7\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.
